Celebrate Across Three Unique Venues

The Croft

McGettigan's D9

Private Dining

The background of the entire image is a close-up of a Christmas tree. It is densely decorated with warm white lights that create a bokeh effect. Several pine cones are visible, hanging from the branches. There are also gold-colored ornaments, including a large one in the bottom left and another in the bottom right. The overall atmosphere is warm and festive.

The Croft

Enjoy a relaxed and welcoming Christmas dining experience at The Croft Bar & Bistro. Perfect for festive lunches, family gatherings or catching up with friends, The Croft offers a warm atmosphere alongside specially crafted Christmas menus featuring seasonal favourites. Sit back, relax and celebrate the festive season in comfort.

The background of the entire image is a festive holiday scene. It features two tall, elegant champagne flutes filled with a bubbly beverage, likely champagne or sparkling wine. The glasses are positioned in the center-right of the frame. To the left of the glasses, there is a small, dark-colored Christmas tree. Several round, dark-colored Christmas ornaments are scattered on the surface in front of the glasses. The background is dark, with numerous out-of-focus, warm-toned lights (bokeh) that create a cozy and celebratory atmosphere. The overall color palette is dark with warm highlights from the lights and the golden text.

McGettigan's D9

Celebrate the season at McGettigan's D9, our newly refurbished Irish pub. Showcasing a fresh new look while keeping the lively atmosphere it's known for, it's the perfect venue for Christmas parties, festive lunches and casual get-togethers. Enjoy delicious food, great drinks and warm Irish hospitality throughout the festive season.

A microphone is positioned on the left side of the frame, pointing towards the center. The background is a dark, out-of-focus scene featuring a Christmas tree adorned with numerous warm, golden lights that create a bokeh effect. The overall color palette is dominated by deep blues and purples, with the warm lights providing a contrast.
